## Get Your Name in Lights!

Please lend your support to our Jewish Film Festival by becoming a Movie Patron. The Jewish Film Festival cannot happen without your generosity. Ticket sales alone do not cover the cost of bringing exceptional films to our community. Please consider increasing your level of support!

*To become a Patron of the JCC's Jewish Film Festival, please detach and complete this form and return with your payment (check, cash or credit card) to the JCC - Thank you!*

### See back for specific Patron level benefits.

Please check one level. Note - if tickets are given for that level, check the movie you wish tickets for.
