

Annual York Jewish Film Festival Sponsorship Proposal

York is among the smallest communities in the country to offer a Jewish Film Festival, and it cannot happen without your support. The York Jewish Film Festival is dedicated to strengthening and preserving Jewish culture in the community through film, and offers unique stories which are not otherwise seen in our multiplexes.

You can impact our community by sponsoring this event. Ticket sales alone do not cover the cost of our expenses, nor do they secure our festival for years to come. By supporting the Jewish Film Festival you are supporting much more than film and Jewish culture; you are supporting diversity in our local arts scene coupled with education and entertainment from around the world.

Please consider becoming a sponsor of this event. Sponsorship opportunities are outlined on the enclosed forms.

Our mission, as a premiere Jewish Community Center, is to strengthen and preserve Jewish culture, promote respect for diversity, support the State of Israel and World Jewry, and enhance the well being of our members and the communities we serve through cultural, educational, recreational, social, wellness, and child development opportunities.
